

# iBelong

A national pilot intervention  
& research study

## Project Objective

Increase belonging of  
Muslim American adolescents in mosques

## Project Participants

**Community Partnerships:** 6 communities  
**Individuals:** Youth, parents, mentors, mosque leadership

## Phase 1: Needs Assessment

Collect data through:

- Survey
- Webinar
- Interviews

**Goal:** Identify current opportunities and barriers for belonging

## Phase 2: Intervention

**2 days**

- Youth only workshop
- Adult only workshop
- Youth + adult joint workshop

**Goal:** Provide youth empowerment skills to youth and adults

## Phase 3: Dissemination

Disseminate research-based resources

- Videos
- Infographics
- Publications & presentations

**Goal:** Develop & distribute resources for various audiences
